

DISCOVER TEC

Go beyond the bounds of recreational diving!

If you enjoyed your Deep Diver Course and want to know more about technical diving then why not try our Discover Tec programme, this allows you to begin your training in the water. You will actually try the equipment and perform some of the hands on skills for your level of interest.

Who can do the programme?

If you just want a taste then you need:

Open Water Diver or equivalent

- Be at least 18 years of age
- 10 logged dives

But if you would like this to be credited towards your Tec 40 course then you need:

- Advanced Open Water Diver or equivalent
- Enriched Air Diver and Deep Diver
- Be at least 18 years of age
- 30 logged dives (10 dives on EANx and 7 deeper than 30m)

What's involved?

- Orientation to technical diving and equipment
- Rig a twinset and stage cylinder
- Pre-dive planning, briefing and preparation
- Have a dive and complete the skills from Dive 1 of the Tec 40 course

All the Tec diving equipment needed for the experience is provided by us. This is a great way to experience your first taste of Tec Diving. Technical Diving is not for everyone the Tec Rec courses are for the small segment of divers looking for challenge and willing to accept the costs, risks, time commitment training and physical fitness requirements necessary. If you are one of those divers then you are now ready to move onto the next step – Tec 40.

The challenge starts here.....
