

REBREATHER REFRESHER

1 Day

This will give you the opportunity to refresh your rebreather knowledge and skills if you haven't been diving for a while or are feeling rusty.

Who can have a go?

You need to be a Rebreather Diver or Advanced Rebreather Diver or Equivalent.

What's involved?

- Knowledge Review: This is where we will review the theory from the Rebreather Diver and/or Advanced Rebreather Diver courses.
- Pool Session: During the session you will practice the skills learnt during your course.
